

Sample Script for Recruitment in Research
Social and Behavioral Sciences Form

RECRUITMENT SCRIPT

This type of script is typically used for recruitment of subjects from classroom, recruitment presentations, or by personal contact. Parts in Italics should be modified for your specific project. Other parts may need to be modified as well depending on your research methods.

I am a professor (*a graduate student under the direction of Professor ...*) in the Department/Division/College of (...) at the University of Miami. I am conducting a research study to (*state purpose of study*).

I am recruiting individuals to (*describe what the research will entail*) which will take approximately (*include duration of time*).

Your participation in this study is voluntary. If you have any questions concerning the research study, please call me at () ____ - ____.
